The Original PREFACE of 1855.

After the MS. has been in the hands of the printers more than three years (the delay and slow progress having been accounted for,) we commence the publication of that part of the *SHELDON MAGAZINE*, which comprises the list.

This is not the promised work, but a cheap proof edition, of the list, which we send to subscribers, and others, for corrections, or additions.

We rely upon their kindness to examine those parts within their acquaintance, and to furnish those corrections and additions in their power.

EXPLANATIONS.

By referring to the first index, of sons-in-law, a family may be readily found. The local index cannot now be depended on, in all cases, as some have changed their residence, of which we have no information.

Every descendant has a number. The numbers are all placed mathematically; 100 upon each double page. The last number by cutting off the 00, being the number of the page: so that all the numbers, except the last, will be found upon the page preceding the hundreds in the number: as, all below 100 on the first page: above 500 and below 600 on the sixth page. Hence 01 with the hundreds will always be found on the top of the left side; 25 at the middle, 50 at the bottom, 51 at the top right side, 75 at the middle. To facilitate tracing descendants, the reference designates the *side* of page; reference to the right side having *r* added. A * instead of a reference figure, denotes descendants whose names we have.

We have been collecting materials, at times for nearly 20 years. When first projected, it was seen the work would be heavy. Every unnecessary word and figure is avoided. On account of the labor and expense, the month and day of births and deaths are usually omitted. For the same reason the authorities are not now given. Some of these will be in the historical and biographical notes.

Where there is doubt, a ? is added.

While these sheets are passing, the Editor being much of the time at a distance from the press, the proof sheets cannot be read by him, with copy. Typographical errors therefore occur.

Our thanks are tendered to publishers and others who have sent us works of a kindred character. These will be noticed in due time; and their attentions will be reciprocated.

When sufficient time shall have been given for the present edition of the list to be corrected, and the portraits to be engraved, it will be revised, and the regular publication of the work commenced.

Names of subscribers and donors will be published and receipts acknowledged.

As the expenses attending this work have been, and must continue to be considerable, before it can be issued in its revised and corrected form, our thanks are specially tendered to those kind friends who have advanced the subscription price, or funds.

Will friends procure and forward more names as subscribers.

Loudonville, O., June 7th, 1855.

As requested in the above preface, some 400 frustrating typographical errors in the old hand-set type have been corrected before reprinting this Index to make it agree with the original manuscript. The proof-reading has been done 100 years after the printing. This is the only index that was printed.

Buffalo, N.Y., June 1957.

The Editor.

NOTE: In short, these S#s indicate the page and line where these Men first appear as Sons-in-law. The S# is the permanent number of their SHELDON wife and should be added to all names whenever mentioned. (See original preface of 1857.)

Knowing their cousin's SURNAMEs, SHELDONs may find their lineage data next to the location of the entry of their uncles-in-law.

as shown in the UNPRINTED Vol.V, p.113r - 122

of the "SHELDON MAGAZINE, 1857",

a Genealogical List of the SHELDONs in America,

by S#5124 Rev.H.O.SHELDON (1799-1882)

compiled and edited by

S#5297x6-2 Carew¹⁰ SHELDON, PE (1899-)

of 567 Potomac Ave., Buffalo 22, N.Y.

Buffalo, N.Y.

September 22, 1956

NOTES: This Index gives access to new and previously unprinted manuscript data which will be of value to genealogists or those searching for their last connection to the SHELDON-lineage data, as well as to the many descendants of female-SHELDONs carried in the "Sheldon Magazine, 1857". Please insert this at p.113 of your copy.

Since the husbands and 1850-residence of female-SHELDONs were usually shown on the line where these females first appeared, as well as in the printed "Index to Names of Men who married into the Sheldon Family" which gave the S# (indicating the page and line including the unprinted Vol.V), this new Index plus a proposed "Index of Mothers married to SHELDONs as shown in the Sheldon Magazine, 1857, Volumes I to IV", should make readily available the vast store of genealogical data compiled by S#5124 Rev.H.O.SHELDON.

Much SHELDON data is to be noted in other more recent genealogies. Such should be reported by filling out the 5"x3" Sheldon Family Data Cards and adding the family S# x - , if it is known. See the card, "Numbering System for Sheldon Magazine, 1857 & EXTENSION". Full reference to the source should be given at bottom of card.

A Reprint of the very scarce and valuable "Sheldon Magazine, 1857" with corrections of the many typographical errors as shown by the long-lost original manuscript will be made available for the 1957 anniversary.

INDEX of MOTHERS married to SHELDONS

(Viz., daughters-in-law of last-printed family-heads.)
 Their c1850 residence was usually given on the line where
 their husband, the male-SHELDON, first appeared in print,
 as well as his year of birth, the page-reference to Vol.
 V, and their family S#, hence all but their children.

INDEX of SHELDON DESCENDANTS, (Pages 113r to 124r)

NOTE: The heads-of-families will be found in the Indexes for Vols. I to IV, and in "Index to Mothers married to SHELDONS, Vol. V".

The dates of birth for descendants with the surname of SHELDON are given because many had the same name. However, when once found, the S# — — — should always be used with each name and that of all descendants. Carrow SHELDON S#2925-2, Editor.

It is the KEY to the LINEAGE DATA of 1,000,000 Americans

The 900 SURNAMES of 2000 "Men Who Married into the SHELDON Family" prior to 1857 give clues to the places of residence and the families of many of the early settlers, as shown in:

"The SHELDON MAGAZINE, 1857"
by Rev. Henry Olcott SHELDON (1799-1882)

Which is a GOLD MINE of information for historians, biographers, genealogists and those who wish to trace their ancestry.

Since only a half-dozen large libraries have copies of this scarce and valuable original edition of 1857, it is being CORRECTED and REPRINTED during 1957 from the long lost Original Manuscript, with valuable NEW DATA found in the SHELDON MAGAZINE, 1857, "UNPRINTED Vol. V." and new INDEXES to aid the searcher.
