COR. MEM. OF N. E. HISTORICAL GENEALOGICAL SOCIETY.

SIDNEY, OHIO:
S. H. MATHERS & CO.
1857.

This number has been delayed by sickness, the printers and other circumstances. Two more numbers will complete the list to 14,000. We invite attention to list of Descendants Wanted, page 28. Notes on pages 75 and 78. In making the local index, it is important to have the Post Office Address of families.

As the trouble and expense of this work have been very great, we will be thankful to any subscribers who will advance their subscription price. Some have--their names have been published

For autographs, the price \$1.00, should be sent in advance.

We prepay all numbers sent. When there are more subscribers than one in a place, we do not send this edition to all; but to those who we suppose will be most active in obtaining corrections and additions.

It will be convenient to stitch or tie the numbers together

H.O.S. 1857

Favors thankfully received---viz: DUDLEY Genealogies, THOMAS JUDD and his descendants. Records of the descendants of FRANCIS WHITTEMORE. Descendants of JOHN SCRANTON.

REV. HENRY OLCOTT SHELDON
1799-1882

Pioneer Methodist preacher. He traveled on horseback three and four thousand miles a year covering the Wayne Circuit of Michigan, the North Ohio Conference, and the Central Ohio Conference for the Methodist Church. He was agent for the Norwalk Seminary traveling and lecturing extensively in the eastern part of the country. He was a prime mover in an unsuccessful attempt to organize a Christian Community and a Manual Labor School where the property of the individual members became the property of the organization. He was an early advocate and promoter in the founding of Ohio-Wesleyan University at Delaware, Ohio, Baldwin Institute, fore runner of Baldwin-Wallace College at Berea and Oberlin College at Oberlin, Ohio. He was also a Genealogist, the compiler of the SHELDON MAGAZINE, printed in 1855-1857. He has been called the "Tom Paine of Ohio Education". He was buried in the College Cemetery in Oberlin, Ohio.

IMPORTANT NOTICE to SEARCHERS

H. O. SHELDON intended that in each line in these pamphlets, 7 important items of genealogical value be available to researchers. All seven items appear in the designated columns unless the data is not available at this writing in 1962. The explanation covering each column follows.

- 1 Identification number and names of "Head of Family and Spouse".
- 2 Date of death of "Head of Family and Spouse".
- 3 Identification number and "Given Names" of children in order of birth.
- 4 The page number in the SHELDON MAGAZINE on which additional data on this person is found including his or her children, or a * indicating that in the files of the GENEALOGICAL COMMITTEE of the SHELDON FAMILY ASSOCIATION, there is additional data available on this person or descendants.
- 5 The year in which this child was born.
- 6 If the person mentioned in column three is later recorded in the
- & SHELDON MAGAZINE as the "Head of Family" or its Spouse, only the resi-
- 7 dence was usually recorded, as the name of both the husband and wife on a subsequent page appeared together as "Heads of Family" in column one. If there was no issue, note the ~~name~~ of spouse and residence together with the years of death. If never married, date of death and residence. However, where the space permits and the data is available this editor has included both the names of the spouse and residence or other pertinent information as an aid to searchers for identification purposes. (see chart, Index page 10)

To trace a "LINE OF DESCENT" to earlier generations, take any S# number in column three. The name of the father or mother or both will be in column one at the left, as the "Head of Family". Take this S# number of the father or mother and turn toward the front of the book or the earlier volumes and locate this number in column three. Repeat until you have come to the first ancestor of this branch of the SHELDON FAMILY in America.

To trace in reverse, follow the page numbers in column four.

* The data in our files indicated by this * is available without charge to "Contributing" and "Sustaining" Members of our Association. To others, a small fee is required to cover costs of material, postage and labor. This data with the biographical sketches gathered by the Genealogical Committee, will be of benefit to those who contemplate building a SHELDON MAGAZINE EXTENSION covering their particular branch of the SHELDON Family.

A This letter appearing in an identification number indicates "Adopted"

For Historical Preface see Volume V. inside front cover.

For an explanation of the numbering system see Volume V. page 124r

For an explanation of the SHELDON MAGAZINE EXTENSIONS see the last page, inside cover, of Volume V.

3:#4760 EDWARD AUSTIN SHELDON (1823-1897)

(#1862Eleazar, #619Eleazar, #208Aasa, #43Jonathan, #5Isaac)

Edward Austin SHELDON was born in Perry Center, N.Y., Oct. 4, 1823. He was educated in the local schools and attended Hamilton College in Clinton, N.Y., for three years. During a brief business venture in Oswego, N.Y., he became interested in the neglected children in the poor districts of Oswego, and realizing that a great need of these children was for education, he was instrumental in establishing the "Orphan and Free School Association" which soon became known as the "ragged school." The success of this activity attracted public attention in both Oswego and Syracuse, and led to his spending two years as Supt. of Schools in Syracuse, then returning to Oswego in a similar capacity in 1853, where he organized a system of graded schools.

Feeling dissatisfied with current teaching methods, he became interested in the "Object Lesson Method" of teaching which was originated by Pestalozzi and had been used in Europe for many years, but was not employed in the schools of this country. Securing from abroad the help of two teachers trained in this method, he established, in 1861, the "Oswego Training School" for the purpose of training the Oswego public school teachers in the use of this new method. The Training School flourished and soon attracted students from other communities as well. In 1869, the State of New York made the training school a state institution, known as the "Oswego State Normal and Training School." At this time Dr. Sheldon resigned his position as Supt. of Schools for Oswego in order that he might devote all of his energies to the Normal School; and he continued as its Principal for the remainder of his life. As the methods of the school became more widely known in educational circles, a great demand for its graduates developed throughout the country, particularly in the midwest and southwest.

Since 1948, the school has been a unit of the State University of New York.

After his death, the school children of the State of New York contributed their pennies for the erection of a statue in his honor. For many years this statue stood in the state capitol at Albany. In 1922 it was removed to Oswego and placed on the front lawn of the Administration Building. It has become the focal point of certain traditional student ceremonies at the State University of New York Teacher College at Oswego, N. Y.

The SHELDON FAMILY ASSOCIATION had been in existence long before 1875. This was about the time that S#2981 George SHELDON was agitating for the formation of the POCUMTUCK VALLEY MEMORIAL ASSOCIATION at Deerfield, Mass. and S#3822 Henry L. SHELDON was gathering maps, books, portraits, bibles furniture, china and other out of use articles from the attics and cellars of old Vermont families for his SHELDON MUSEUM. In the early 1900's and just before the first World War as many as 300 to 400 SHELDONs and their connections gathered at these annual reunions.

It was not until 1939 however, that a written constitution was adopted and one of its purposes was to assist the SHELDON MUSEUM. In 1960 this constitution was revised. The ASSOCIATION became non-profit, organized for the purpose of coordinating the genealogical and historical interests of the SHELDON Family and to assist in every manner possible, the "SHELDON MUSEUM", Middlebury, Vermont; the "OLD INDIAN HOUSE MEMORIAL" and the Sheldon Library in MEMORIAL HALL, Deerfield, Massachusetts.

Membership consists of descendants of the SHELDON or SHELDEN families who came to America prior to 1660 and those who have come into these families through marriage or adoption. There are five classes of membership, ANNUAL, CONTRIBUTING, SUSTAINING and LIFE. HONORARY upon election.

The meetings are usually held during the first or second week of August each year, the even years in Middlebury and the odd years in Deerfield.

In the distant future, if communication with the Genealogical Committee of the SHELDON FAMILY ASSOCIATION or the Editor as addressed herein comes to an end, the latest addresses may be obtained by writing the Curators of or by visiting any of the following Historical Shrines to all who bear the name SHELDON.
